Did you know?

\$5.00 a week (\$260) to United Way of Warren County will provide special equipment for a family to use with their visually impaired child to empower them to function independently a long side their peers.

\$10.00 a week (\$520) to United Way of Warren County will help provide a daily nutritious meal to a senior, many of whom are in a low to moderate income bracket.

\$12.00 a week (\$624) will send 2 children with epilepsy to a specialized camp where they will learn valuable coping skills in dealing with seizures, gain support that will follow them back home and school and help them to realize that they are not along in their struggles.
