Introduction

Everyone wants to know that their contribution is helping people in Warren County.

United Way's focus is in advancing education, financial stability & health as well as basic needs and making positive changes in people's lives. One way to see the impact your gift is making is by inviting a speaker from United Way of Warren County to share their story on how they are helping people right here at home.

Make your campaign come alive. Invite a United Way of Warren County speaker to executive briefings, leadership giving meetings, campaign kickoff meeting, staff and employee meetings.

Through compelling stories, speakers help audiences recognize how their gift to United Way of Warren County affects the community.

Simply review the speakers & topics, utilize the worksheet in the back of this booklet and pick a date.

Once you have your date, time and location, contact the speaker and set your event. They will be waiting to hear from you!
